Photos for the 'Feldkirch Stories' project

For the light art festival 'Lichtstadt Feldkirch', which will take place this year from 9 to 12 October, the artist Robert Sochacki is collecting private photos from Feldkirch from the past 100 years.

For his video projection in the Neustadt entitled 'Feldkirch Stories', the artist is looking for photos of people (whether of families, friends or clubs) from which he will artistically process excerpts into collages. As part of 'Feldkirch einhundert', the aim is to take a look at the last 100 years.

Get out your photo albums, reminisce and take photos of your photos.

You can become part of the 'Feldkirch Stories' projection!
